

Kitty Cardboard Mouse

Materials

Cardboard, Scissors or precision-blade, (optional) non-toxic glue

Instructions:

1. Print out this page.
2. If using a precision-blade: Tape pattern to cardboard and cut on dotted line.
3. If using scissors: Cut out template on dotted line and trace onto cardboard, then cut out both pieces
4. Insert slot A into slot B (optional: secure with a small dot of non-toxic glue)
5. Give to kitty and watch them play!
