

Do-It-Yourself Kitty Cork Toys

Materials

- Wine corks
- Pushpin
- Craft feathers

Step One

Use a pushpin to poke a hole at one end of the cork. You may have to wiggle the pin to widen the hole. If using a cork that already has a hole from being pulled from a bottle, skip to step 2

Step Two

Insert a craft feather into the pushpin hole

Get creative!

Make two holes on the same side, or one on each side for double feathers!
